Business expenses cover is designed to help sole traders, small business owners, or partners in a business manage specific expenses if they're unable to work due to sickness or injury. The cover provides a monthly payment to reimburse approved expenses for up to 2 years.

Key features.

- The cover is available for individuals aged 16-59.
- Coverage ends at age 65.
- The benefit period is up to 2-years.
- The maximum cover is up to \$30,000 per month.
- Fidelity Life will pay up to 100% of approved expenses in the first year and up to 50% in the second year.
- Payments start after a waiting period chosen by the policy owner(s). The wait periods available are 2, 4, 8, 13, 26, 52, and 104 weeks.
- Premium payment options include fortnightly, monthly, quarterly, half-yearly, or yearly.

1. Built-in benefits.

Total disability benefit.

If the insured person meets the total disability benefit criteria, Fidelity Life will pay a monthly benefit, in arrears, until the earliest of either the insured person is no longer totally disabled, there's no longer a loss of business turnover, the benefit period ends, or the cover ends.

- The amount paid is the lesser of the business expenses actually incurred, or the monthly benefit for the first 12 months and up to 50% of the monthly benefit for the next 12 months.
- An advance payment of up to 50% of the first month's monthly benefit is payable at the end of the waiting period if the relevant claims assessment information has been provided, and the claim is accepted before the waiting period ends. Any advance payment will be deducted from the first month's monthly benefit.

Partial disability benefit.

If the insured person meets the partial disability criteria, Fidelity Life will pay the Partial disability benefit, monthly in arrears, until either the insured person is no longer partially disabled, there is no longer a partial loss of business turnover, or the cover ends. For Partial disability benefit payment amounts, please refer to the cover wording for the calculation.

Recurring claim benefit.

Waives the waiting period on a recurrent claim if the insured person becomes disabled again due to a recurrence of the same or related injury or sickness within 12 months after the claim ended. A recurrent claim will be considered a continuation of the previous claim.

Benefit period reset.

Applies a new waiting period and benefit period if the insured person returns to full-time work for 12 continuous months and becomes disabled again due to the same or related injury or sickness and is not eligible for the Recurring claim benefit.

Waiver of waiting period.

Waives the waiting period on a new claim for an unrelated sickness or injury within 12 months of returning to work after a previous unrelated claim. The new claim must be for a continuous period of 90 days or more.

2. Additional options.

Consumer Price Index (CPI) option

The CPI option will be applied on each policy anniversary by the greater of 2%, or an amount determined by Fidelity Life based on the CPI rate. If a Total Disability Benefit or Partial Disability Benefit is being paid, the claims payments won't be increased by CPI. The last increase will be applied on the policy anniversary before the insured person's 65th birthday.

3. Claims.

It's important to notify Fidelity Life of a potential claim right away. If notification is more than 60 days after the date of disability, the benefit may start from the date Fidelity Life receives notification.

4. Exclusions.

Fidelity Life will not pay a claim for sickness or injury related to pregnancy or childbirth, self-inflicted acts or injury, or specific events and causes agreed upon between Fidelity Life and the policy owner(s) and endorsed on the Policy or the policy schedule.

5. Limitations.

For each insured person, there is a limit of one claim for a total or partial disability at any given time.

6. When this cover ends.

This cover ends on the earliest of the insured person's 65th birthday, death, cancellation of the cover, or the Policy ends for any reason.
